

LOS animals Y Las HABITACIONES

Write a **Spanish paragraph** for each of the following habitats

- Local Forest
- Rainforest/ Jungle
- Desert
- Farm
- Swamp

Include at least 3 animals that you find in these habitats and a description of each. Your description should include the body parts that your animal has. Be specific. For example, "The horse has a tall ears a long nose and large flat teeth". Create a poster or powerpoint slide for each animal and be prepared to discuss each animal with your class.

Research an animal native to the Spanish-Speaking country of your choice. Describe the animal and its body parts. Discuss what the animal eats and its habitat. Include a map of the area where this animal lives and a picture of your animal on a poster or powerpoint slide. Be prepared to discuss it with your class.

Create an animal using body parts from at least 5 different animals. Write a paragraph describing the animal. Be prepared to discuss this animal with your class from a poster or powerpoint that you have created.

Your project will be presented on or before the day the class takes their Unit 4 FK exam. The anticipated due date is _____.
