

NOMBRE: _____

Proyecto de Enriquecimiento Para Los Hispanohablantes Nativos

Sexto Grado

Unidad 5: La Salud

EL VIRUS MISTERIOSO

El Virus Misterioso

You are being invited to complete this project in place of participating in class discussion and projects during Unit 4. In order to continue with this project, you must score at least an 80% on the FKs for each subject taught in the unit. If you score below an 80%, your teacher will offer you websites and worksheet resources to help you learn those skills and you will re-take the FK for that section. These FK scores will be included in your score as your FK grade. Your CMQ grade will be based on the project described on the next page. Your TIA grade will be based on weekly check-in pages completed by you and reviewed by your teacher.

Se le invita a completar este proyecto en lugar de participar en la discusión y proyectos durante Unidad 3. Para comenzar este proyecto, debe anotar al menos 80% en los FKs para cada materia en la unidad. Si usted gana por debajo del 80%, su profesor le ofrecerá sitios web y recursos de la hoja para ayudarle a aprender esas habilidades. Va a volver a tomar el FK para esa sección. Estos grados FK se incluirán en su grado como su grado FK. Su grado CMQ se basará en el proyecto descrito en la página siguiente. Su grado TIA se basará en las páginas de facturación semanales realizadas por usted y revisados por el profesor.

Nombre de Estudiante _____

Nombre de Guardián _____

Numero de Telefono (durante el día escolar) _____

Correo Electronico _____

Doy permiso para que mi estudiante pueda completar este proyecto durante la clase de español en lugar del plan de estudios de sexto grado de la unidad tres. (Firma, por favor.)

EL VIRUS MISTERIOSO

POR _____

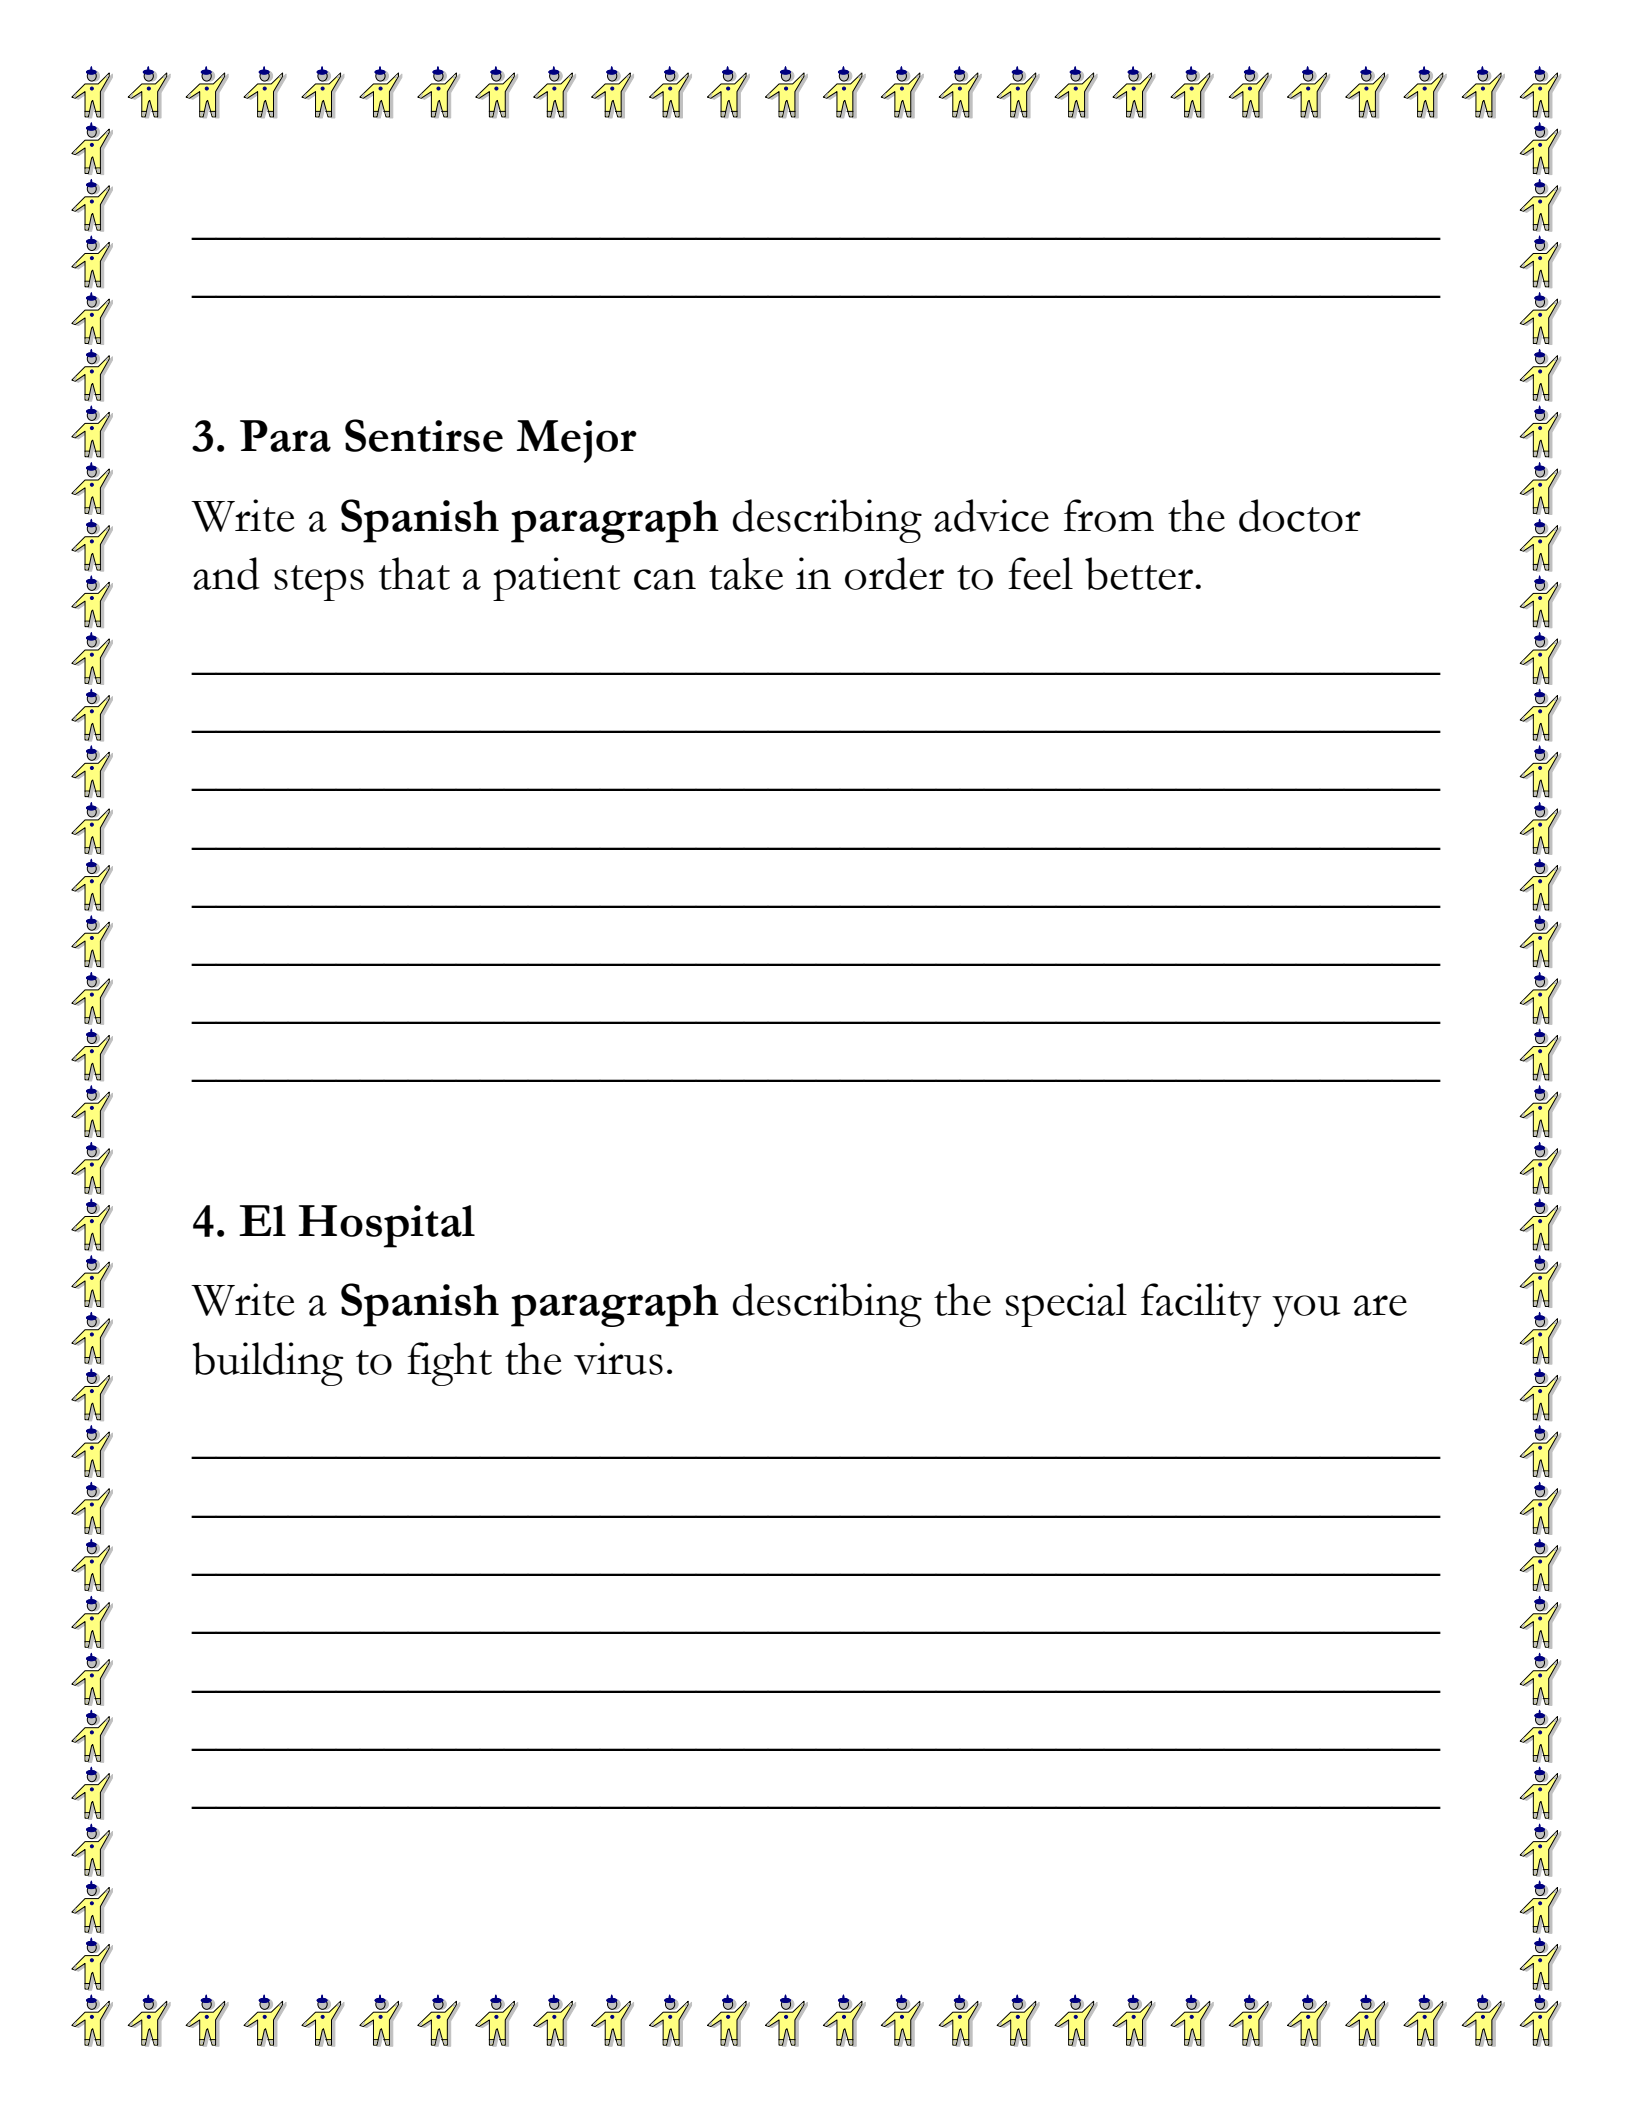

The mysterious _____ (invent name) virus has just entered the United States. You are a medical researcher that has been assigned by the president the job of finding a cure!

1. El Origen

Write a **Spanish paragraph** describing the origin of the virus.

2. Síntomas

Write a **Spanish paragraph** describing the virus. Include how the person feels and what symptoms the person has.

3. Para Sentirse Mejor

Write a **Spanish paragraph** describing advice from the doctor and steps that a patient can take in order to feel better.

4. El Hospital

Write a **Spanish paragraph** describing the special facility you are building to fight the virus.

5. La Copia Final: Cartel Informativo

Create an informational poster about the virus with illustrations. This must include symptoms as well as remedies. This can be done in Microsoft or Google Docs.

6. Presentación Final

Create a presentation you will present to the leaders around the world about the cure you found. This will outline the information from the previous paragraphs as well as illustrations. You must create a visual aspect using PowerPoint, Prezi or Google Slides.
